

# A Holistic Approach to Education and Childhood Development

Curriculum Framework
Key Stage 3

"Excellence, from Enrolment to Graduation"

## **Explanation of How The Curriculum Works**

#### **Rationale and Aims:**

At Serenity School, We **Care, Value and Challenge** every child to achieve their true potential. In doing so, we improve life chances of our young people through an unwavering commitment to **Inclusion, Independence and Self Worth** for all learners. We can confidently say this because our curriculum is designed to deliver a holistic approach to education and childhood development.

Therefore, our Curriculum aims to develop the following **5** Core Principles of positive behaviour and action in everyone.

- We look after Ourselves: This part of our curriculum focuses on equipping pupils with the skills they need to become healthy and independent individuals able to care for themselves. Pupils are introduced to ways in which they can reflect on their own personal development and how their personal skills, abilities and behaviours can be improved. They learn different ways in which they can contribute to a healthy lifestyle and are encouraged to demonstrate activities which will improve their own lifestyle. They also begin to understand food and its functions in the body and learn how to prepare and cook healthy meals using basic skills. Attendance in PE is promoted through rewards to encourage an active lifestyle, improve self-esteem and social skills and increase competency in gross motor skills. Pupils also participate in Life Coaching to help them better manage their emotions and behaviour and consequently become more authentic and independent.
- We look after each Other: Students achieve more when they learn to care for each other. Hence this part of our curriculum aims to help pupils understand how to safely provide support to others, including knowing what they can and cannot do to support others and why. They also develop skills and behaviours needed to lead others and work as part of a team. They will participate in organising a coffee morning at the local hospice and in the planning and running of an enterprise activity within the school.
- We look after our Learning: We have very high expectations of our pupils and strongly believe that they should gain the relevant currency which they will need to participate fully in today's rapidly changing society. As such, pupils are expected to achieve a minimum of 5 nationally accredited qualifications (including English and Maths) at Entry Level or Level 1, at the end of Year 9. They are also incentivised to develop a love of reading as well as positive behaviours for learning.
- We look after our School, Community and World: This part of our curriculum encourages pupils to care for our school community. They also begin to develop an awareness of their local community and gain the skills and confidence to use various local services and facilities. They will learn about the changing nature of society in the UK by examining the impact of migration and the benefits of cultural diversity. They will also develop an awareness of how to take responsibility for their environment by identifying environmental issues and how they can go about helping the environment.
- We look after our Futures: Pupils will be introduced to the basic elements of managing their personal finances, encouraging them to prepare a personal budget and to carry out transactions capably. They will also develop problem solving skills to help them to tackle problems in their daily lives. Through our unique Careers Matrix, pupils will be gradually exposed to careers information to help them develop career awareness and assist them in making informed choices about their future.

### **Key Stage 3 Set Sail Curriculum**

#### We look after Ourselves

- Healthy Living (PSD)
- Attendance at PE (70% Bronze, 80% Silver, 90% Gold)
- Cookery Skills (F&C)
- Developing Self (IL)
- Star Life Coaching (60% Bronze, 70% Silver, 80% Gold)

#### We look after each other

- Supporting Others (PSD) Coffee morning for local Hospice
- Developing leadership skills (SL)
- Working as part of a group (PSD)
- Planning and running an enterprise activity (PSD)

## We look after our learning

	Literacy/Numeracy	Science & Hums	Vocational	Life Skills	B4L	Reading for Pleasure
Bronze	Teacher evidenced progress across both	Teacher evidenced progress across both	Pass in 1 Voc area	Pass 1 course at Entry Level	100+ points	Complete reading log to appropriate level.
Silver	Gained expected level of progress across both & E Level Q	Teacher evidenced progress across both	Pass in 2 Voc areas	Pass in 2 areas	250+ points	As students move through bronze - gold, they achieve reading related tasks, and these increase in level of challenge.
Gold	E3 or above in Maths and English	Teacher evidenced progress across both	Merit/Distinction in 1 Voc area Pass in 1 Voc area	Pass 3 of 4 areas; LiFE IT Sports Leaders PSHE (PSD) Independent Living	400+points	Working towards or at 85> standardised score

## We look after our School, community and world

- Myself within the community (IL)
- Environmental Awareness (PSD and Science)
- Rights and responsibilities/The changing nature of society in the UK/Understanding personal identity (PSD)
- Design/create craft items for school display (Art and Craft)

#### We look after our futures

- Manging money (IL)
- Dealing with problems in everyday life (IL)
- Attendance (87% Bronze, 90% Silver, 92% Gold)
- Careers matrix (60% Bronze, 75% Silver, 90% Gold)

#### % of standards met:

Bronze = 60%

Silver = 70%

Gold = 80+%

## **An Organic Curriculum**

Each of the five component sections of the curriculum is designed organically to develop each pupil at an individual level to ensure each one has a curriculum offer that is bespoke to them and challenges them from their own individual starting point. In doing so, pupils have every opportunity to make **progress at Bronze – Sliver - Gold Standards** in their overall Key Stage Curriculum. Each pupils timetable and progression pathway are set by SLT after they complete a series of assessments. Once the data is available an **Academic Flightpath** is put in place and shared with parents and staff. Pupils, parents and staff are therefore held to account to ensure standards of progress is achieved along the way and measured termly. We call this process; **Stepping Stones to Milestones**.

Key Performance Indicators are strategically tracked for each pupil, and therefore, with the correct level of support in place in classrooms and in 1-1 sessions including a solid grounding in literacy and numeracy across the curriculum with the Accelerated Reader Programme we guarantee a minimum of five accredited outcomes in years 9 & 11.

Academic progress is tracked alongside SEND targets and when combined, contribute to the overall achievement of our **Socio-Education Model** for each pupil.

# **Socio-Education Model**

Socio- Education Model	Performance Outcomes
Academic	• SS Baccalaureate Award – 100% of Year 11 pupils achieving 5 GCSEs including
	Maths and English
	<ul> <li>80% of pupils making substantial and sustained progress in year</li> </ul>
SEND	100% of pupils making expected progress of EHCP targets
Engagement	90+% Attendance guaranteed
	• 0% NEET
	<ul> <li>90% positive Destinations Report – 1 year later</li> </ul>
	• 100% of pupils complete a minimum of 1 Character Education Programme
Enrichment	100% pupils completing bespoke curriculum offer
	<ul> <li>100% of pupils completing a Leadership Qualification for improved self</li> </ul>
	confidence
	100% of pupils accessing SMSC curriculum
Therapeutic – SEMH	<ul> <li>100% of pupils improving their understanding of SEMH barriers using</li> </ul>
	Social and Emotional Toolkit

# **Key Stage 3 Set Sail Curriculum – Rewards & Incentives**

#### **About the Set Sail Award:**

This is an Award that challenges pupils to develop themselves into a complete all-round person, equipped with the skills to do well, in school and life. It develops a growth mindset and will ensure that they achieve an awareness of our 5 Core Principles of Positivity in their life on a regular basis and apply them to yourself and others. In addition, it challenges pupils to achieve 5 or more qualifications by the end of Year 9 and motivates them to work on their own life coaching

#### **How it Works:**

We want ALL pupils to achieve their full potential and we will help them by offering rewards and incentives along the way to ensure they stay motivated and on track. Each fortnight they will attend a rewards assembly and those pupils on track to achieve the Set Sail Award as well as pupils who are showing strong commitment and resilience to our 5 Core Principles of Positivity will be recognised and awarded spot prizes as a celebration of their efforts.

#### Types of Rewards and prizes:

There will be 2 assemblies a month as well as End of Term and End of Year celebrations

T (A )	Ta: u
Type of Award	Prizes and Incentives
1st Assembly of the Month is the	Weekly £5.00 Vouchers allocated to a range of progress measures such as most
"Commitment and Resilience Awards"	improved, best work in subject, unit completed, strong resilience, going above and
You have to be attending school	beyond et al
regularly and participating to your potential to win!!	
2 <sup>nd</sup> Assembly of the Month is the Set	A Mustom Cift Dog (Compathing fun on financial in it)
Sail Awards day "Who's developing a	* Mystery Gift Bag (Something fun or financial in it)
Growth Mindset and making overall	Sit in a Comfy Chair/Sit at the Teacher's Desk
progress	Listen to Music While You Work (With headphones or they can bring in their
progress	own music and earbuds)
#The Prize Generator will	❖ gain 50 reward points
automatically select your prize	❖ Positive Phone Call or post card Home
actornationity seriest your prize	❖ Extra Computer Time
	❖ Ask the Teacher for an Answer on a Test
	❖ VIP for the Day
	❖ Get Out of Class 5 Minutes Early for a day
	Remove consequence points from your total for the term - 50 points
	Switch Roles with the Teacher for 5 Min. (Teacher is a student and student is
	the teacher)
	Leave Me Alone Pass (don't get called on or have to participate all day)
	Receive a personalised item from the school to celebrate your success
	❖ Free Pass from 1 subject for a day
	❖ Teacher Brings a Special Snack for You or order a special lunch meal of your
	choice
The 3 <sup>rd</sup> is the Headteachers End of	Bespoke Prize as agreed by the Headteacher when achieving total positive points
Term Assembly with some special	Unit Awards per subject
recognitions	Best in Subject
	<ul> <li>Most improved per subject and overall per group</li> </ul>
	❖ Headteacher Award – Citizenship Award
	❖ End of Term Trip
The 4 <sup>th</sup> is the End of Year Awards	Special Celebration for pupils achieving Bronze, Silver and Gold Awards
assembly	❖ 3 Special Awards Trips
	Premiere Football Game
	2. Day at the Racetrack – Go Carting
	3. Go Ape

There will also weekly awards published on the Headteachers Awards Notice Board for weekly best and most improved pupils.

<u>.</u>	<u>English</u>
<u>Year 7</u>	
Reading and writing non-fiction texts	
Charity leaflets/posters	
Reading and writing fictional texts	
Novel: Skellig by David Almond	
Features of imaginative writing and writing	
creatively	
Poetry: various poems	
The English Literary Canon	
Drama	
Comparing texts  Extracts from William Shakespeare's  Romeo and Juliet and compare with the poem 'Hour' by Carol Ann Duffy  Reading and producing media texts  Film Reviews  Speaking and listening skills	Year 9  Reading and writing non-fiction texts  Discursive Writing: Articles  Reading Fictional Texts  Imaginative Writing: Short Stories  Creative Writing  Descriptive/Imaginative Writing: Using a picture for inspiration
Year 8  Reading and writing non-fiction texts  Descriptive writing/holiday adverts	

	<u>Maths</u>
<u>Year 7</u>	
Numbers and the number system	
Counting and comparing	
Checking, approximating and estimating	
Calculating: multiplication and division	
Investigating properties of shapes	
Visualising and constructing	
Exploring time	<u>Year 9</u>
Exploring fractions, decimals and percentages	Calculating
Patterns and sequences	Visualising and constructing
Measuring Space	Understanding risk,
Investigating angles	Algebraic proficiency: tinkering
Calculating fractions, decimals and percentages	Exploring fractions, decimals and percentages
Calculating space	Proportional reasoning
Mathematical Movement	Patterns and sequences
Presentation of data	Investigating angles
1 Tool Marion of Jana	Calculating fractions, decimals and percentages
	Solving equations and inequalities
Year 8	Solving equations
Numbers and the number system	Algebraic proficiency: visualising
Calculating	Understanding risk II
Checking, approximating and estimating	Presentation of data

#### **Physical Education**

Football, basketball, athletics, circuit training, gym & boxing

Developing leadership skills

#### **PSHF**

Living in the wider world, relationships and health and wellbeing

#### **Food Technology**

Year 7: Preparing to cook, Exploring balanced diets

Year 8: Preparing to Cook, Understanding food, Exploring balanced diets

Year 9 - Preparing to Cook, Understanding food, Exploring balanced diets, Plan and produce dishes in response to a brief (T/506/7553) – 30hrs

#### Science

Year 7, 8 and 9: Energy, waves and radiation, the study of living systems, electronics in action, healthy living, forensic detection, carrying out a science or technology project

#### **Art & Craft**

Explore craft resources
Explore craft ideas
Create, present and review final craft item

#### **Forest School & Science**

Year 7: Practical science and technologies

Year 8: Science through field experiments and use of technology

Year 9: Applied Science

#### **Humanities (History & Geography)**

Humanities is embedded throughout all subjects at Key Stage 3 with links made both in classroom learning and during enrichment and outdoor activities and trips.

#### Interventions

# Life coaching

- Education and Health (Self-awareness SEN specific, Focus and Attention, Staying Healthy).
- Social and Communication (Taking responsibility for actions, Maintaining Relationships, Communicating and

## **Therapeutic**

Pro social behavior, strengths and difficulties, Relationships.

# **Literacy Skills**

Handwriting, reading decoding, spelling, reading comprehension, phonics, writing composition, reading fluency

# **Numeracy Skills**

Adding, subtracting, dividing, multiplying, times tables, problem solving, number bonds, counting, sequences
