### Reading Rap

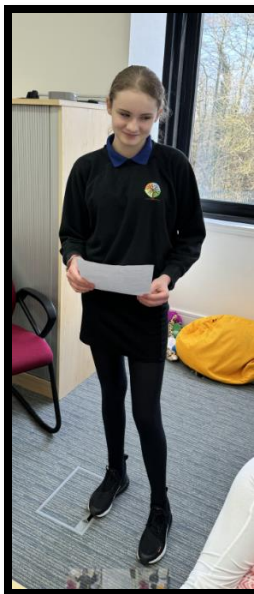

Check my things in when I read,  
I love to be in what I need.  
It will be a bit rainy.  
Drive in my boot, I am greedy.

So, you will feed your brain.  
Until the toilets drain.  
That's your thick mother's own base.  
Read, read, read is what she says.

February 11<sup>th</sup> in 2012  
Reading all the books until you're 12.  
Felix is my name.  
On the boat you really came.

In 2007, it was October.  
All the way until it's December.  
March to August 2011.  
Keep reading all your years at 11.

I end my reading rap to all you friends.  
Make reading as your life trends.

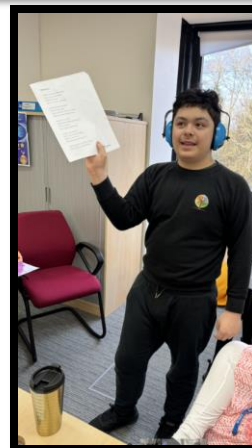

### No Bromcom please!

Stop putting me putting me putting me on bromcom,  
I said stop putting me, putting me.

I have done my work.  
Science, Maths, English.  
Reading is my passion.  
Ronnie loves Maths.  
She can do it all yes yes.

I will be every character in the world.  
Because I love reading.

Ronnie
