

Serenity School

Serenity School Old Palace Croydon Ltd
Old Palace School, Old Palace Road, Croydon, CR0 1AX

Dear Parents and Carers,

It's been an absolute delight my first week as the new Headteacher of Serenity School. Over the past few days, it has been a real pleasure meeting many of our pupils, parents, and staff. I have been struck by the warmth of the community and the clear pride everyone takes in our school.

This is an exciting new chapter for Serenity School, and I am thrilled to be part of the journey. I firmly believe that every child deserves the very best provision, and I am committed to ensuring that we continue to provide an environment where every pupil feels safe, supported and inspired to achieve their full potential.

As Headteacher, I will work closely with families and staff to build on the strong foundations already in place and to further develop the high-quality experiences our pupils deserve. Together, I am confident we can continue to give our young people the opportunities, care and challenges that help them thrive.

Thank you for the warm welcome I have already received. I look forward to getting to know you all and working in partnership for the benefit of every child at Serenity School.

Warm regards,

Rebecca Hill

Headteacher, Serenity School
