

LO: I celebrated World Book Day 2022

3rd March 2022

We taught all our lessons today using the Space Tortoise. We read it and discussed the story.

Maths- We used our measuring skills to make the biggest tower we could out of recycled items. When we measured it; it measured 80cm.

For Art we designed and created new outfits for the Space Tortoise.

In Design Technology and science. We made a rocket like the one in the book.
