			within my writing I can compose and rehearse sentences orally I can discuss and record my ideas I can use a range of conjunctions to join clauses I can assess the effectiveness of my own and others' writing			poem with a partner to include effective use of volume and expression.
Maths	Place Value Addition & Subtraction Multiplication & Division	Multiplication & Division Measure Decimals	Fractions Mass & capacity Length	Shape and Space Time	Money Position and Direction	Handling Data Statistics Shape and Space
Assessments	Baselines	End of Topic Assessments for all units. End of half term Assessments	End of Topic Assessments for all units. End of half term Assessments	End of Topic Assessments for all units. End of half term Assessments	End of Topic Assessments for all units. End of half term Assessments	End of Year Assessments
My Independence/PSD	RE-Festivals – How do ancient stories influence modern celebrations? PSHE- Healthy relationships – Are friendships ever perfect?	RE- Holy Week- What do the stories say and what is their meaning? PSHE – Communities- What does it mean to be British?	RE- Rites of Passage: How do communities mark growing up? PSHE -How can I manage my emotions.	RE- Spirituality – How do music and silence express belief? PSHE- Healthy Relationships How can I help my family?	RE-Pilgrimage Why might some people visit Jerusalem, Karbala or Makkah. PSHE- Physical Health – How can I get active and eat well everyday.	RE-How is art used in religion and spirituality? PSHE-Puberty – How will I change as I grow up?
The World Around Us	History: Significant individuals: how did they change the world?	Geography: Hot places: where are they and what are they like?	History: Bronze and Iron Age Britain: how did life change during this time?	Geography: Settlements: where do people live and why?	History: Queen Victoria: how did Britain change during her lifetime?	Geography: Mountains and volcanoes: what, where and why?
Science	Introduction to the human skeleton and muscles	Rocks and Soils	Introduction to light and shadows	Living things and the environment	What Plants need and what they do?	Introduction to States of Matter and changing states.
Creativity Skills	Art- Drawing and Painting to create sketch books to record their observations and use them to review and revisit ideas. Food- understand and apply the principles of a healthy and varied diet Music- play and perform in solo and ensemble contexts, using their voices and playing musical instruments with increasing accuracy, fluency, control and expression	Art- Sculpture and Digital Design. Design a New Planet for Beegu Use: Paint Sketchpad Canva for Education Adobe Express DT- Beegu Design and Make a Spaceship (Structures)	ART Perfect Patterns: drawing and design Design a New Planet for Beegu Use: • Paint • Sketchpad • Canva for Education • Adobe Express DT The Tunnel – Anthony Browne Structures – Bridges and Tunnels Investigate different	ART Art that travels: stories, land and journeys. ☑ Drawing from imagination. ☑ Using colour purposefully. ☑ Collage and mixed-media techniques. ☑ Creating maps and pathways. ☑ Evaluating and discussing artistic choices. DT- based on the day the crayons Quit Travelling Crayon Carry Case (Textiles) Skills: • Sewing • Joining fabric • Designing for a user	ART About great artists, architects and designers in history. Maps to explore identity, journeys, and imagination. DT Sewing. Music- • appreciate and understand a wide range of high-quality live and recorded music drawn from different traditions and from great composers and musicians	ART Collage and Mixed Mastery To improve their mastery of art and design techniques, including drawing, painting and sculpture with a range of materials [for example, pencil, charcoal, paint, clay] Food- understand seasonality, and know where and how a variety of ingredients are grown, reared, caught and processed Music- • develop an understanding of the history of music

		- Investigate what makes a spacecraft strong and stable. - Design Beegu a new spaceship to help her return home. - Build a model using recyclable materials. DT Skills: - Designing for a purpose - Measuring and assembling - Evaluating effectiveness Music- - improvise and compose music for a range of purposes using the inter-related dimensions of music	types of tunnels and bridges. Design and make a model tunnel that is strong enough for a toy vehicle. - Explore how engineers build tunnels safely. Outcome: Create a freestanding tunnel using card, paper or recycled materials. Music- - listen with attention to detail and recall sounds with increasing aural memory	- Evaluating a finished product ☐ Design purposeful products. ☐ Generate, develop and communicate ideas. ☐ Select from and use a range of materials and components. ☐ Evaluate products against design criteria. ☐ Build structures and explore how they can be made stronger and more stable. FOOD- Design a Rainbow Fruit Salad DT Skills - Preparing ingredients safely - Peeling, cutting and slicing - Selecting healthy ingredients - Evaluating a finished product Music- - use and understand staff and other musical notations		
Physical Development	Use running, jumping, throwing and catching in isolation and in combination Swimming and water safety	Play competitive games, modified where appropriate [for example, badminton, basketball, cricket, football, hockey, netball, rounders and tennis], and apply basic principles suitable for attacking and defending. Swimming and water safety	Develop flexibility, strength, technique, control and balance [for example, through athletics and gymnastics] Swimming and water safety	Perform dances using a range of movement patterns. Swimming and water safety	Take part in outdoor and adventurous activity challenges both individually and within a Team. Swimming and water safety	Compare their performances with previous ones and demonstrate improvement to achieve their personal best. Swimming and water safety

My Computing	Understand computer networks including the internet. how they can provide multiple services, such as the worldwide web; and the opportunities they offer for communication and collaboration.	Select, use and combine a variety of software (including internet services) on a range of digital devices to design and create a range of programs, systems and content that accomplish given goals, including collecting, analysing, evaluating and presenting data and information Create a PowerPoint on Climate Change.	Use technology safely, respectfully and responsibly. Recognize acceptable/unacceptable behaviour; identify a range of ways to report concerns about content and contact.	Artificial intelligence – Hand Bots – how is AI changing our world? Coding – use Scratch to create jam art. How do factories work? Where does the food we eat come from?	Use logical reasoning to explain how some simple algorithms work and to detect and correct errors in algorithms and programs. Use sequence, selection, and repetition in programs, work with variables and various forms of input and output.	Select use and combine a variety of software (including internet services) on a range of digital devices to design and create a range of programs, systems and content that accomplish given goals, including collecting, analysing, evaluating and presenting data and information.
