

Serenity School

Serenity School Ltd 88 – 90 South End Road, Croydon, CR0 1DQ

Friday 1st May 2020

Dear Parents/Carers,

I am delighted to report that having completed the recruiting and selection process, the Governing Body has appointed Ms Charmaine Ayisi to succeed Mr Onye as Head of Serenity School from 1st May 2020.

Ms Ayisi has held the post of Headteacher previously in a special needs school and we are confident she will continue to drive standards up in the school for this year and the years to come.

Ms Ayisi is presently the Deputy Headteacher at the School and has been in post for over one year. She has previously been our SENDCo and English teacher. She will continue to be the SENDCo and to ensure that the needs of every pupil are fully met so that they may fulfil their potential.

She is thrilled to accept this appointment and to continue the outstanding progress made by the School under the current leadership team.

The Governors would like to take this opportunity to thank everyone who participated in the interview process.

Yours sincerely

Linda Brown

Chair of Governors
