Dear Parents/Carers

I am delighted to be appointed as the new Chair of Governors of Serenity School. It is a privilege to work alongside colleagues who are so fully committed to enhancing the educational opportunities and life chances of our young people.

As a senior leader and SENDCO in an alternative provision secondary school, I fully understand the importance of our collective desire for inclusion, the promotion of independence and developing individual self-worth. We are all fully committed to growing the School further, to build upon the great strides already made and to ensure the mission, vision, aims and values continue to dominate our thinking and our practice.

I look forward to forging a positive future with everyone connected with the School.

Yours sincerely

Linda Brown
