Dear Parents and Carers,

We are absolutely delighted to share the outcome of our recent Ofsted inspection, which took place from 17th to 19th June 2025. Serenity School Eltham has once again been judged Outstanding in all areas, retaining this prestigious rating since our last inspection in April 2022.

This achievement is a testament to the unwavering dedication of our staff, the resilience and enthusiasm of our pupils, and the continued support from you—our families and wider community. Together, we have built something truly extraordinary.

A Key Highlight from the Report:

“Pupils are happy to attend this well-run school. They like the organised routines and the friendly, welcoming staff who greet them warmly each day. What makes the school exceptional is the way that all staff work together to ensure pupils get the right support at the right time. This means that pupils achieve well in the subjects that they learn, even though many pupils have previously found engaging in education a challenge.”

These words reflect the heart of Serenity School Eltham—where every child is nurtured, supported, and empowered to succeed.
